

MAY DAY CONE

Supplies:

- White cardstock
- Scissors
- Glue
- Tape
- Chenille stems/pipe cleaners
- Hole punch
- Hershey's Kisses or other wrapped candy (optional)
- Ribbon

Directions:

Basket Assembly

1. Print 2 copies of printable May Day Basket on white cardstock.
2. Cut out the basket pieces. Be careful not to cut the glue tab on left side of the basket.
3. Fold on the dashed lines plain side in, printed side out. After each fold, unfold. Fold the glue tab in as well. Repeat with second basket cutout.
4. Spread glue on the glue tab of one basket piece and press glue tab to the plain side of the second basket piece. Make sure the points of both pieces are touching. Spread glue on the glue tab of the second basket piece and form pieces into a cone shape. Press glue tab to the inside of the cone (on the first basket cut-out). Make sure there is no gap when glueing.

Flower Assembly

1. Cut flowers from the printed copies of May Day Basket project.
2. Tape a Hershey's kiss to the middle of a flower. You can also opt to leave plain. Repeat on all flowers.
3. Tape Chenille stem to back of flower to be a flower stem. Repeat on all flowers.

Finishing Touches

1. Hole punch opposite sides of basket and use a ribbon to make a handle.
2. [Optional] Place 5-10 Hershey's Kisses in the bottom of the basket.
3. Place flowers in basket.
4. Punch a hole in the top of the "Happy May Day" tag, thread a ribbon through the hole and tie to basket handle.
